Our dear friends,  
Greetings and good wishes from Mizpah Home, where Christ is the Head and every individual is important.

Since last writing to you, some of our older boys and girls have attended a weekend camp with the Youth Group in Kothagiri. They've returned with great excitement over just how big and wonderful our universe is! They were amazed to learn that there is so much more beyond our Milky Way that is yet to be discovered! This has helped them further their understanding of just what a mighty God we serve.

## PRAISE GOD WITH US

For the good health of the children. We praise God for **Priya** and **Michael**, who have moved on to university-Priya to study Science and Michael to study Commerce.

For our new children-**Shalini**, **Mouli** and **Meshak**.

For the prayerful support of all our faithful and committed friends.

## PLEASE PRAY WITH US

For a suitable marriage proposal for **Teresa**.

For **Alex** and for the details surrounding his admission to university in Canada.

For the right person will come and join us in our work here at Mizpah.

For **Mohan**, who has been suffering for so long with a bad back.

This year, we have had three new children join us. **Shalini** and **Mouli** were orphaned when they were five and three years old, respectively. They were sent to the homes of their mother's and father's families, but with time, both families found it difficult to care for these children. They were then sent to live with their maternal grandmother, but she died recently, leaving them orphaned again. A social worker brought these children to us for their safety,

education, care and upbringing. Shalini and Mouli are glad to have found a home full of friendly children. After a gap of two years, both children are now back in school, embracing a normal life.

**Manmohan (Meshak)** is a captivating boy who has taken to Mizpah Home like a duck to water! Meshak's mother is illiterate and works on menial jobs for the privileged in her neighborhood, while his dad is in poor health. He has a younger brother at home who is cared for by their partially-sighted grandmother. Meshak was suffering from malnutrition, but he has a hearty appetite and his health is now steadily improving. He is happy to be loved, cared for and provided with the little things, which make his day!

MIZPAH is a registered Charitable Trust, recognized by the Directorate of Social Welfare, Department of Tamilnadu Government and also approved by the Government of India Ministry of Home Affairs.

The building of a new laundry area with boiler-in one corner of our compound is in progress. This will provide us with one, central area where all the washing and drying may be done, leaving the balconies free of clutter.

In all this, we cannot forget to mention, with thanksgiving, the love and support that we receive from all our dear friends. We ask God for his Grace upon your lives, that your days may be full and complete, lacking nothing while we journey together on the upward road.

With love and prayers.
