MIZPAH is a registered Charitable Trust, recognized by the Directorate of Social Welfare Department of Tamilnadu Government and also approved by the Government of India, Ministry of Home Affairs.

It's that time when greetings, good wishes and gladness are sent around the world in memory of that first Christmas, when the good tidings were first brought to Man with the Angels' song. We too send wishes your way that are meant to brighten your day, along with a little peep into some of the happenings here at Mizpah Home.

The most cheerful one has been the Christening of our baby girl. We have chosen to name her "**Jessica Esther**" (Jessica meaning 'He beholds' and Esther 'Star'). Our neighbours' and friends from church joined us afterwards for lunch - mostly to see and bless Jessica, who is fast becoming everyone's delight. We are thrilled to have her among us.

By the goodness of God all the children are in good health. Their school work, however, is either getting tough or the children are becoming careless. They do leave a lot to be desired where grades are concerned, and our pleas for better performance is going unheeded among some. We especially covet your prayers for them and us at this time.

Our urgent prayer request is for a God-fearing individual to join Mizpah in the capacity of Warden. We are feeling this need grow on us and we do want the best for the children, especially as many of them are in their formative years. We commend you to the keeping of Christ the Shepherd and Bishop of our souls. Every blessing in Christ be yours this festive season and through the coming year.

Wishing you a blessed Christmas and a fruitful New Year!

Jenny, Mohan and all at Mizpah
