Our dear Friends,
Greetings in Jesus, the reason for the Season.

We trust all is well with you and that you continue to experience the love and companionship of Christ through the Holy Spirit.

The children at Mizpah get along happily with their lives and their school work. Some look forward to the academic challenges at school, while others enjoy sports and the companionship of friends. For little Jessica, 'home' is the best place to be—she doesn't like the word 'school' as yet. We hope this phase doesn't last too long!

We are getting closer to the date for Teresa's marriage. This is the first marriage in the Mizpah family and the excitement is mounting. We make conscious efforts to see that all things are done diligently and to the glory of the Lord.

We have yet another reason for you to rejoice with us. Mariyamal, a retired lady, has joined us in the capacity of a house-mother. She has prior experience in handling the kind of work we have planned for her here at Mizpah. Happily, the children enjoy her company too, and cooperate well with her. Pray with us for Mariyamal—that she keeps in good health and carries out her responsibilities well.

Last month, Mohan went to Hubli in Karnataka to check on a project among AIDS-

affected children from the slums who exist below the poverty line. There are around 52 children within the age group of 2 to 17 years. These children are in need of schooling, medical attention and a safe home to live. Currently, a local evangelist is assisting them. Mizpah has been requested to extend our ministries among them. We earnestly desire your prayer with us as we wait on the Lord for further encouragement.

We appreciate your interest in the work here and pray the blessing of the Lord on your lives.
With much love,

All at Mizpah
