Our dear Friends,

Loving greetings in Jesus, the all-knowing One who sees the beginning from the end. The New Year has already given us a whole month of living. We trust you have walked in the light.

At Mizpah, the Christmas holidays were the perfect climax to an eventful year.

The month of December brought Teresa's wedding and the many joys of welcoming friends among us. We enjoyed Christmas celebrations with the church choir, Sunday-school activities and the very special group excursion to Black Thunder (a water theme park).

With one joyful activity having followed closely behind another, getting back into serious study—in view of the upcoming examinations—is a real challenge. This year, nine of our children will be appearing for their Board examinations. As always, we covet your prayers for them. These

examinations are truly the first step our children take into the outside world, and to pass them with distinction is the goal.

As expected, the household isn't the same without Teresa. We've learned that some re-adjustments and changes to routine activities are necessary to enable the smooth running of Mizpah. We're pleased to report that Teresa

herself is happily fitting into her new life.

We know the importance of your stand with us and we want you to know that lives have been impacted, health has been taken care of and much learning has taken place as a direct result of your love and support.

Our prayer for you is that you prosper and be in good health even as your soul is nourished.

Offering praise and glorifying God,

With much love,

*All at Mizpah*
