

July 2013

Our dear Friends,
Love and greetings to you in Jesus, the unchanging God.

The first half of the year is already behind us, and yet we find ourselves at the

beginning of a new year – a new academic year, that is! The efforts of the past year have been rewarded with much success. All our students who appeared for the Class X and XII Government Board Examinations have seen their fears and cares turned into songs of praise! This is especially true for Nandhini,

who finished closer to the top than the other three. Nandhini scored a commendable 1065 marks out of 1200. No child at Mizpah is given special tuition the teaching at school is all the instruction they receive. Not a single failure among the lot yet again proves that with God nothing is impossible!

A new academic year means new children receive a place at Mizpah. This year we have seven new children join us. As is always the case, each have gone through difficult periods in their life. It is sad when you consider that ones so young have already had so heavy a burden to bear. Among us, we believe they will have every chance to experience a peaceful and contented childhood. This is to the glory of God, who sought them out from so many others and placed them among us at Mizpah. We covet your prayers for them as they begin a new life and embark on new learning. As always, the rest of us need your prayers too. We have got to teach them and find ways to show them we genuinely care about their wellbeing.

We trust you will find a way to continue to bloom and grow in the place of your labours in the Master's Vineyard

Blessings be yours in Christ Jesus,

All at Mizpah
