

June' 11

Dear Friends

Greetings in Jesus from Mizpah Home. It is good to write to you again. God's grace and your prayers have sustained us and given us the courage and enthusiasm to keep pressing on.

PRAISE GOD WITH US

For yet another successful academic year.

For His Providence and Mercies which are new every morning.

For faithful partners who support this Ministry.

PLEASE PRAY WITH US

For Alex's future studies and necessary finances.

For a groom for Teresa.

For the right staff to join us to help with the children.

For the continual grace of God in Mizpah's work.

Another academic year is under way, beginning in June. All our children will fill their place in a new and higher class. We are happy with our children's results on the class 10 and 12 Board exams. We are especially pleased to inform you that all eight children who appeared for these exams have passed.

Our Alex will also finish school this year. He has enjoyed these past eight years at Hebron, gaining special recognition for his talents on the sports field. Cricket, hockey and football are his primary interests. Alex has his sights set on pursuing university studies in Canada, however the finances pose the greatest hurdle. Our faith is in God for whom nothing is impossible.

Jessica and Diya – our two little ones – will join Play School this year. We hope they will enjoy this experience which will pave the way for years of schooling to come. Jesse is excited with the thought of going to school and wants to go straight to class 9! She tells her dad he must get her “a new uniform and school bag and snacks box.”

This year we have no students in class 12 at Mizpah, while we have four in class 10 - each of whom are average students up against a big challenge. We believe they will make it to the top, but getting them there is our challenge. We shall covet your prayers both for them and us. With every blessing.
