

## Our Dear Partners,

**MARCH '10**

**Greetings in the God of Peace who makes us perfect in every good work to do His will.**

We trust we have reason to rejoice in the keeping of the Lord.

The children are now in their last term of school before the promotional examinations. Lately, many of them have been falling short of good marks at school; we hope they will pick-up before too long. We trust that Geetha will renew her efforts in what is now her final year at school. We often remind her that much of her future depends on the marks she can procure in these examinations.

MIZPAH is a registered Charitable Trust, recognized by the Directorate of Social Welfare, Department of Tamilnadu Government and also approved by the Government of India, Ministry of Home Affairs.

We covet your prayers for Akila who had the sad experience of losing her elder sister recently. She was only a few years older and had married in June last year. We spend time praying with Akila and talking to the other members of her family. We believe she is slowly getting over this bitter experience and is the stronger for it.

Recently, our girls have experienced the great joy of learning how to swim. Friends of Mizpah took on the challenge of teaching our girls a new lifeskill. The time flew by as everyone had a wonderful time! Can our girls swim now? Only the following session in the next holidays will tell – but for now we can safely say that the experience was much enjoyed. Many thanks to Miss Rachel Carter.

We want to thank our friends who have helped us set up a compound wall on the west side of the property, which is to the back of the house.

The wall is complete, the land is filled and the chain-link fence has now been erected. This was a big job, but it is now complete. Soon the children will be busy preparing this area for the vegetable garden!

Jessica continues to bring much joy and happiness to the Home and into all our lives.

We close with our united love and prayers,

*All at Mizpah*
