Dear Friends

Greetings in Jesus whom we call God, Our Father, making us one in His spirit. We trust you have been experiencing the love of God, for such has been our prayer for you. Our strength has been in the name of the Lord.

Jabru Banu recently had the heart wrenching experience of losing her grandmother. The dear woman was the last living family member that Banu had. Banu is solely in the care of Mizpah Home now. She is making good progress in school and around home. Her gentle ways make her a good companion especially with small children.

Vimala had a facial deformity at birth in which there was extra flesh on one side of her upper lip. Recently she developed an abscess in her nose on that extra fleshy side of her face. Vimala had to visit a specialist who treated her with medication and the warning that, if her abscess did not rupture she would have to go under the knife. With much prayer and one touch from His nail-scarred hands she is perfectly well and has had no need for surgery. Better still-her face looks closer to normal than before.

Teresa, the eldest girl in our care has reached that crucial stage in her life-when it is the right time for us to find her a bridegroom. We covet your prayers for her and us as we take on this serious task knowing that our help comes from above.

Friends, we are soon to celebrate the 10th year of our service to the under-privileged children. On Monday, the 25th October, we are intending to have a short time of praise and thanksgiving for the grace that we have received in Christ Jesus. We would be delighted if you could join us in person or prayer to the glory of God.
